"... It offers up an alluring perfume of spring flowers, peach, apricot, and a hint of citrus. On the palate the wine is dry, smooth textured, layered, and succulent while retaining a sense of elegance. This nicely balanced wine features a lengthy, fruit-filled finish. Drink it over the next 1-2 years ... It is an ideal alternative for rich courses normally calling for Chardonnay."

"The Crios de Susana Balbo label has rapidly become synonymous with great value. All of the Crios wines are phenomenal values worth buying by the case. Susana Balbo is also widely credited with developing the modern style of Torrontes; hers remains the benchmark."

— Wine Advocate #180, December 2008

Enticing aromas that are strikingly similar to Viognier, with hints of coriander, peach, white pear, flowers, and orange citrus fruit. On the palate, it has beautiful structure and acidity similar to Sauvignon Blanc along with enticing fruit flavours, and plenty of body for a wine that shows such delicate aromas and flavours. Fruity, floral and yet still quite dry, this wine has to be tasted to be believed. Best enjoyed in its youth either by itself, or as a wonderful partner with smoked meats, mild to medium- strong cheeses, Asian cuisines, and seafood, especially crab.
